

Impact Report Stats 2021/22

Do_ Something.

Change_ Something.

We engaged over 14000 students

across all of our services: societies, committees, events, volunteering, representation, elections, student rights and campaigning, and help from our Advice Centre.

+348%

Traffic to the website has nearly doubled from September 2021 to September 2022, with an increase of 348.7% reaching 102,562 sessions in September 2022 compared to 53,665 sessions in September 2021.

+191%

Unique website users have increased by 191.0% climbing to 45,246 users in September 2022 compared to 25,856 in September 2021.

1114

1,114 students gave back to the local community through **volunteering**.

4000

Over 4000 students were **members of societies**. (and we had over 100 societies!).

7486

7486 students **attended an event** organised by the Students' Union.

Over half of respondents agreed that the Hallam SU stands up for students rights.

9458

Students voted across our elections.

400

Nearly 400 students helped with individual queries through our **Advice Centre**.

Social media followers
across all our channels
increased by 7%.
