WESTERN PARK MUSEUM

You could easily walk here from the City Centre, pop the address in to your phone and get going. The museum contains Sheffield's archaeology, natural history, decorative art and social history collections. The museum is also home to one of the longest serving weather stations in the country, providing data on Sheffield's weather since 1882.

Take a packed lunch or visit the café there, there is also an awesome gift shop to pick up some great Sheffield gifts, keepsakes and toys. Nice Day? Enjoy the sunshine in Western Park, just outside the museum, enjoy a coffee on the bandstand or stroll around the lovely gardens.
