Please complete this section to record how you've developed your chosen Graduate Attributes during L...

Please complete this section to record how you've developed your chosen Graduate Attributes during the Hallam Award. This is your opportunity to tell us about all the things you've been doing and how they have helped you develop your chosen Graduate Attributes. You can upload documents and photos as evidence in support of your submission. Or you can record your response, upload it to a video sharing platform (such as YouTube), and provide a link to the video.

Actions 0 of 3 required actions completed

You need to complete 3 actions within this task 0%

- GRADUATE ATTRIBUTE 1:** Evidence the graduate attribute you have developed by either completing the written form, via the button on the right, and you can upload supporting documentation below.
- GRADUATE ATTRIBUTE 2:** Evidence the graduate attribute you have developed by either completing the written form, via the button on the right, and you can upload supporting documentation below.
- REFLECT:** Well done for getting to the final stage of the Bronze Award! Now we want you to apply your experiences. The following questions are designed to get you to reflect on what you have done, and to articulate how this will be important to you in the future.

Notes
Extend to add / edit notes

These sections will be evidenced by your Accreditation Scheme reflections by adding supporting files below.

Complete this 'Reflect' section FULLY.

Add your Accreditation Scheme reflections as evidence here.

When you 'Add Info' to each Graduate Attribute, you will be shown this page:

GRADUATE ATTRIBUTE 1: Evidence the graduate attribute you have developed by either completing the written form, via the button on the right, and you can upload supporting documentation below.

Provide your evidence
Tell us which graduate attribute you have developed, what types of activities you've been doing, and how these activities helped you to develop your chosen graduate attribute.

You need to click save button once you complete the form.

* Required fields

Graduate Attribute *
Which Graduate Attribute have you developed?

Activities undertaken *
Now, tell us what types of activities you've been doing. Categories include work-related, on-campus, or career planning and self-development activities.

Your development *
How have these activities helped you to develop your chosen Graduate Attribute? Please use between 250-500 words

B I U [bulleted list] [numbered list] [link] [undo]

Characters (with HTML): 0/4000

Name the Graduate Attribute you have developed.

Write 'see attached file' in these sections, as you will have submitted your Accreditation Scheme reflections as evidence in the 'Add File' section above.
